CLERK: Senator Scofield voting yes. 26 ayes, 0 nays on adoption of Senator Hoagland's amendment.

SENATOR MARSH: The amendment is adopted. Senator Hoagland.

SENATOR HOAGLAND: Let me close on the bill, if I might, Madam President. This is a bill, as I have indicated previously, that is brought to us by the Court Administrator's Office and by the Supreme Court. Now as amended it changes the title of associate county judges to clerk magistrates, restricts their authority, makes other technical changes in the laws pertaining to the organization of the judiciary, completes, for all practical purposes, we hope, the court reform effort begun by Senator Luedtke and others in the early 1970s, makes a number of other technical changes in the amendments that we have adopted today, and you should have handouts that thoroughly explain what the bill now does, and I move for its advancement. Thank you, Madam President.

SENATOR MARSH: We are now ready and will vote on the advancement of LB 529. Have you all voted? The Clerk will record.

CLERK: 25 ayes, 0 nays on the motion to advance the bill, Madam President.

SENATOR MARSH: LB 529 is advanced. LB 540.

CLERK: Madam President, LB 540 was a bill introduced by Senator Pirsch. (Read title.) The bill was first read on January 22, referred to the Judiciary Committee, advanced to General File. There are committee amendments pending.
